**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of Info Structure, a small very well run company that assists my small company, Slattery Joint Associates, LLC . We are a construction consulting company and require their service to small companies like mine. This company is very careful, screening messages for scams and other dangerous messages. As you understand well, a company that protects people from construction fraud, improper work, and safety issues, we often get strange and criminal type activity because of our responsibility to shed truth on construction projects that have not been done correctly, over-billing etc. Thank you for your consideration.
Owner, Slattery Joint Assoc. LLC
